

## **NEW COLLECTION CENTRE**

Canterbury SCL is pleased to announce a new collection centre for the patients of the northwestern suburbs.

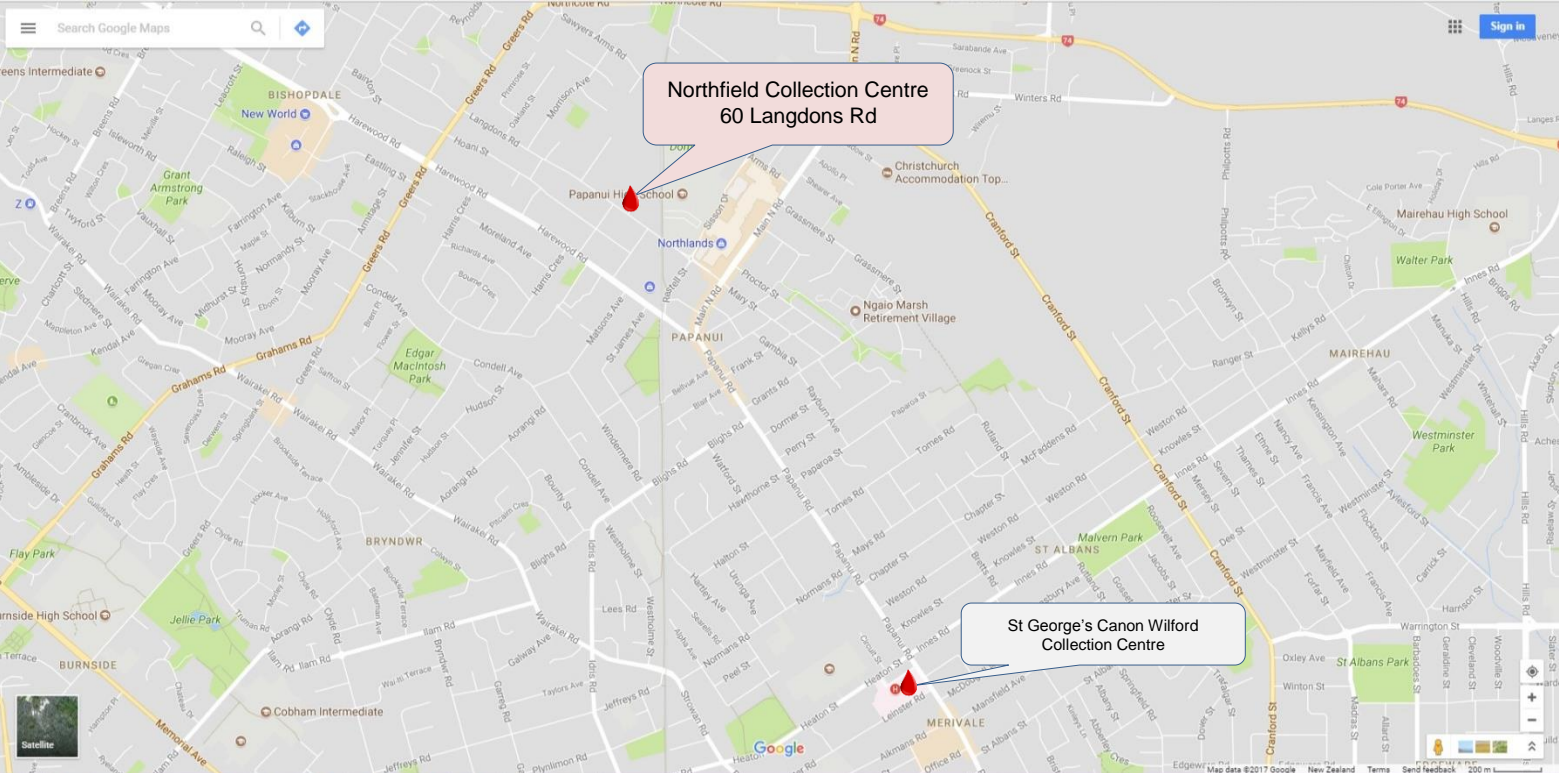

An opportunity has now arisen which means we can relocate from the Milford Chambers site at St George's Hospital and offer our collection services in Papanui in the new Northfield Business Park.

The new centre will be at **60 Langdons Road, Papanui** and has ample, free, on-site parking.

We anticipate that this centre will be open from **late November 2017**. We will have a full day service at the new site with the proposed new hours being Monday to Friday 0700 to 1645 and Saturday from 0800 to 1245. More details will be advised closer to the opening date.

Note: The collection centre at St George's Canon Wilford wing is unaffected by this change and will remain open with its current operating hours.
